## Company Profile

A MARS POWER GROUP Company

# MARS

## Who are we?

Established in 2018, we are a leading electrical contractor operating throughout the United Kingdom. We have an outstanding reputation for delivering a multitude of MEP services for the public and private sector.

From schools and universities to hospitals, governmental buildings and infrastructure.

## What do we do?

All things MEP. Some of our highlight projects include the famous BBC Elstree Studios in Borehamwood.

Our contract comprising of main power distribution works, temp lighting and temp fire alarm at the old Holby City Hospital Set and East Enders set.

Paul Blazi - Managing Director  
MARS POWER GROUP

## Our services

All things MEP. From Periodic Testing & Inspection to Load Monitoring & Studies to Planned Electrical Maintenance, Mars covers a wide range of services in the FM sector in London and the South East.

From public to private sector

# Commercial Fit-Outs

We have extensive experience to take designs from conception to completion for any new build or refurbishment projects.

Delivering amazing spaces.

MARS

A person with a shaved head, seen from behind, is looking out of a large window. They are wearing a bright yellow high-visibility vest with 'MARS POWER' printed in red and black letters. A small tag with 'FLU' is visible on their collar. The window looks out onto a city skyline at dusk or dawn, with various buildings and a bridge visible in the distance. A decorative metal piece with 'W' and 'E' is on the window frame.

# Maintenance & Aftercare

Our dedicated in-house team provide specialist aftercare services, including preventative planned and reactive maintenance solutions. We pride ourselves on providing exceptional customer service and maintenance solutions to meet our client requirements.
